Most Christians are well aware of the slippery slope presented by a perverted prosperity message promoted by some within the church. With no other alternative, most believers have by default embraced a poverty-mindset without even being aware of it. This poverty-mindset has become a much greater issue to the church today. This issue goes much deeper than merely financial, it has to do with the mindset by which we base our beliefs, behaviors, and attitudes. This book addresses the scarcity-mindset we all struggle with, and how to embrace an abundance-mindset established upon the New Covenant of Grace. Our mindset is creating the atmosphere and environment shaping our future, so it is imperative we learn to shift from a mindset of scarcity to one of abundance!
