

Italian Ice (Precious Gems Book 2)

Sequel to Rarer than Rubies Precious Gems: Book Two In this exciting sequel to Rarer Than Rubies, gay romance author Trent Copeland and former FBI agent Reed Acton head to Italy for a Roman holiday. What should be a relaxing and romantic vacation is interrupted when Reeds not-so-former boss asks for his help with a case. Trent is shocked to discover in the six months they've been living together in LA, Reed hasn't been completely honest about his retirement. Reed heads for Sicily on the trail of a suspected antiquities-smuggling ring and to find Peter Isetta former FBI partner he also hasn't been completely truthful about. Stung by Reeds dishonesty, Trent questions what else Reed might be hiding. But when he overhears something that tells him Reeds life is in danger, Trent follows Reed to a remote chain of ancient volcanic islands off Sicily's northern coast. Soon Trent is caught up in the smugglers web, and Reed must decide between his heart and his mission a decision complicated by his past with Peter. Reeds position is perilous: unless he can learn to put the past behind him, he risks destroying everything he's built with Trent.
