

# BEARed to You (A Sexy BBW Bear Shifter Romance) (Beasts Mate Romantic Suspense Book 1)

I came to you because I had to have you. I had to possess you. But I've stayed with you because I need you. Curvy city girl Abby Clumm wouldn't normally travel to remote cabins in Alaska alone. But thanks to a poorly timed air traffic controllers strike, she finds herself alone in the boonies. As night falls, a shotgun she doesn't know how to use and a flimsy wooden door are the only things standing between her and the vicious, hungry beast outside. The scent of a woman nearby beckons research scientist Tarik Evert, sends him staggering outside into the cold. He doesn't remember how he wound up at her door, naked and shivering. And he's not sure what is about to happen if she lets him inside. He only knows one thing: the fierce, unrelenting hunger that brought him to her in the first place. And that's just the beginning of their troubles...
