

Shiftr: Swipe Left for Love (Volume I): BBW Bear, Tiger and Werewolf Paranormal Shifter Romances (Hope Valley BBW Dating App Romance) (Volume 1)

The first three standalone books in the best-selling Hope Valley BBW Dating App Romance series! What if your fated mate was just an app swipe away? *Shiftr: Swipe Left for Love - Book 1 (Dina)* Curvy Dina Taylor hates the idea of online dating. It's something kids do, not 36-year old women, whose boyfriends have left them for the office intern. But her best friend Lauren has a secret she's bursting to share: there are men out there who absolutely love voluptuous girls like her. All Dina has to do is tap *Shiftr*, the cute little paw-print app that Lauren has just installed on her phone. In the time it takes Dina to get over her shock that there are guys who can shift into animals, she's hit up by Logan - a dark-eyed bear-guy with a torso like sculpted marble and eyes like pools of lust. He tells her that he feels a magnetic connection to her, but before she can tell him that the feelings are mutual, her clumsy thumb swipes the wrong way, and he's gone. Dina is distraught, but Tamika, the creator of *Shiftr* has a cunning plan that may just bring them together again. Will Dina find the sexy Logan in the midst of the eccentric matchmakers' beautiful, opulent summer garden party? And will they discover that they're fated to be together? *Shiftr: Swipe Left for Love - Book 2 (Kristin)* To the outside world, Kristin Pasternak is a feisty, statuesque, auburn-haired journalist. Only those close to her know that she suffers from PCOS, a condition that has left her unhappy with her body, and scared that she won't be able to have children. When best friends Dina and Lauren introduce her to *Shiftr*, the secret dating app for curvy girls and shape-shifting men, she thinks that none of the guys will want her - especially smoking-hot tiger shifter, Roman, whose profile says that he definitely wants cubs. But, according to the app, Kristin and Roman are a 100% match, and when Roman scents Kristin for the first time, he

seems to know her body better than she knows it herself. Will the sexy tiger be able to convince Kristin to let go of her insecurities and abandon herself to the crazy attraction that sizzles between them?

Shiftr: Swipe Left for Love - Book 3 (Melissa) Melissa Ericson has a panic attack as her best friend Lauren is giving birth, but sexy shifter doctor, Harley, is on hand to calm her down. When she later finds out that hes not only on Shiftr - the secret dating app for curvy girls and gorgeous shape-shifting men - but is also a great match for her, shes ecstatic. But theres something about Doctor Harley that keeps tugging at Melissas mind, and suddenly shes drawn back into a place she never wanted to think about again. The past is so confusing and painful for her, but will the smoking-hot werewolf prove to be her destroyer or her savior? This is a 78,000 word boxed set consisting of three standalone books, packed with heart-stopping romance, danger, heroism, passion and suspense! HEA and no cliffhanger! Note: These books and all other books in the Hope Valley BBW Dating App Romance series are standalone and can be read completely independently.
