

Eve of Chaos: A Storm Lake Novel (Destiny Paramortals) (Volume 3)

You will meet a dark dangerous stranger Aurora predicted at the Mardi Gras ball, and, as if someone had left their Swords of War videogame on share in a parallel universe, he walked in. Conor de Sept Flambe?, the Dark Knight they'd dubbed him, with his dark gleaming muscles, the distinctive leathery tattoos across his shoulders, armored boots and magnificent flashing swords. Where did he get those swords? Montana asked, drooling. She'd been unable to force her eyes away from him all evening. Then he'd walked across the ballroom floor, parting the crowd like Moses through the Red Sea, and asked her to dance. Turned out, he's quite the music lover. He said he wanted to show her some of his moves. Right! Her Dinnshencha warrior wasn't born yesterday. He wasn't kidding though. There was more to this Knight than meets the eye, and he was already quite an eye-fu! Recognizing her diminishing strength, he offered to prepare her for the Chaos, twenty-four hours when most Paramortals would lose their power. With crazies coming out of the woodwork, Paramortals losing their abilities, and personalities going AWOL, Sheriff Jack Lang wants to know who will be left standing with him when the Para-moon begins. If Flambe? is what Jack thinks he is, Destiny might have a chance. If not, they'll be in deep trouble. Where's an F-18 when you need one?
