

The Conclusion! Every girl is destined to turn into her mother... Genevieve I didnt plan on getting pregnant by my mothers Sugar Daddy Luke. Life has a strange way of throwing you a curve ball. I never dreamed Id be attracted to the same sort of man as my mother, but Luke is unlike anyone Ive ever met: rich, hot, strong... and did I mention rich? My mother only cares about his money and she will do anything to prevent another woman from getting her hands on it. Even if it means ruining her own daughters life. Now that Im pregnant, I have to find a way to resolve things with my mother and Luke. But she wont make it easy. In fact, shes planning on stealing him back and making sure he never wants anything to do with me again. Time is running out. Luke has to make a choice: does he want to spend his life with me, or my mother? Luke Lovesick. I didnt know men were capable of feeling this way. But since meeting Genevieve, everything seems possible. She makes me feel things Ive never felt before. I cant get her out of my head. Theres just one problem: her mother, my ex. Shes told me shocking things about Genevieves past-- things I cant ignore. Is Genevieve prone to violence like her mother claims? Is she out to get my money? Are they working together to scam me? I have no idea who I can trust. All I know is that I need Genevieve. No matter the cost, Im going to get her back.
