Shes about to have an unforgettable affair...with her royal boss. He was desperate to forget a broken engagement...until an accident has Prince Lucas Silva forgetting his fiancees identity. Now he believes his loyal assistant, Kate Barton, is his bride-to-be. And shes under strict orders to keep up the pretense. Playing the role of beloved is no stretch for Kate; shes had a crush on her boss for years. But palace rules prohibit royalty from mixing with the help, so Kate knows her happiness cant last. Once Luc regains his memory, she could very well be tossed aside...unless the prince is willing to forget the rules, too!
