

Take a Chance

Harlow- I live everyday looking over my shoulder. I work three jobs to pay off a debt that isnt mine all so I can keep me and my little sister alive. When Blake crashes, literally, into my life, I know there could be something great between us. I just dont have the time for anything to happen. Between a terrifying loan shark, an overly flirty veterinarian, and a snotty fourteen year old, I barely have time to breathe. I just wish I could find the time to be with Blake, too. Blake- I knew there was something big missing from my life but could never figure out exactly what it was, until I ran into Harlow. I found out quickly that she was everything Ive been looking for. The problem is that she doesnt have time for a relationship. She has so much on her plate that its almost impossible to be with me, but I wont take no for an answer. Nothing will get in our way, not even an old one-night-stand telling me that shes pregnant with my child. When she and I finally start our relationship we find that others arent as happy with it as we are. Secrets are kept, lies have been told, and threats are made. We want to find our happy ending, but we have to live to get there.
