

## Bonded to the Pack, Part Five

In **BONDED TO THE PACK** so far, history nerd and BBW Claire Gannett is on the run from government assassins and an overwhelming attraction with dangerous, sexy werewolf Jake Bailey cranks up the heat. **Bonded to the Pack, Part Five** When Jake and Claire meet a mysterious hacker, old questions are answered and new ones coalesce. Claire sees the worst of Jake's jealousy, but she also realizes her true worth to the pack, a foundation she desperately needs. Surrounded by the men of the pack she's coming to trust, gripped by a ruthless mating bond, it's time for her to make some decisions. Is Jake ready for her surrender? Can she trust her heart in matters of life and death? And will new information about her attackers let the pack quash the threat that has plagued them for too long? This is the fifth part in serial **BONDED TO THE PACK**, a BBW shifter romance. The serial is an erotic romance, with explicit sex, multiple partners, strong language and werewolf violence.
