

On the Hunt (The Gregory Series Book 3)

Mia Gregory walks away from her job as a police officer in Tacoma and unknowingly steps into more danger in Clover Hills. She knows FBI Special Agent Dave Montgomery, her brother's best friend, wouldn't be in disguise in the little mountain town without good reason. Three girls are missing, but the local police refuse to get involved. And someone not only wants the FBI out of Clover Hills, they want Mia dead. Years ago, Mia had a huge crush on Dave and he still has the power to stir her senses. It would be so easy to fall in love with him, but she can't allow it to happen. With a killer on the loose and lives in jeopardy, it would be foolish to go beyond friendship.
