

One Night in Weaver... (Return to the Double C)

A NIGHT TO REMEMBER? One night was all they'd had had they? Hayley Templeton prides herself on keeping a level head in life and love. But her recent passionate encounter with Seth Banyon turned her world upside down. Hayley knows she planted a kiss on the sexy security expert, but she can't even remember how much further that lip-lock went. This is one dilemma the psychologist can't analyze her way out of. Seth has plenty of secrets that he doesn't need Hayley prying into. At least of all, what he's really doing in tiny Weaver, Wyoming. So he's got to get the irresistible woman out of his system before he is tempted to make himself at home right there in her arms.
