

## Awakened (Cursed Magic Series: Book Two)

After escaping from the elves and the General, Claire is on the run again with the last person she thought she'd end up with Farron. Shadowy forces are nipping at their heels, and soon they are attacked. But they have bigger worries. An old friend of Farron's shows up: a beautiful woman with a mark shockingly similar to her own. As it turns out, she is not alone. And the new woman isn't exactly on their side. Claire is kidnapped and lands in the middle of Farron's biggest secret of all. Once again she is a prisoner and the people that surround her want to use her and her powers, people that she doesn't have the option of refusing. The wolves are circling, but to pick a side means giving up everything she holds dear. Book two of the Cursed Magic Series.
