

Shattered Innocence (Shattered#1) I've always been on my own and determined to make something of myself. I was the first person in my family to go to college, but I might not be here for long. It's expensive and I'm broke. Just when I think I have no other options, a whole new world is opened up to me. A world full of depravity and scandal, one that most people would judge me for if they knew I was involved in it. Damon Shaw has just been assigned to take over the day-to-day operations of the service. He's absolutely insufferable, and making my life a living hell. He thinks he can control me, but little does he know no one has ever been able to do that. Shattered Lives (Shattered #2) What I did to her is unforgivable. I shattered her completely. I did it knowing I was wrong the entire time. Now that I'm here and she is within my reach, I still can't resist her. My enemy is still lurking and more threatening than ever before. I won't allow any harm to come to her. I need her to forgive me, and to let me in again. I need her to be mine. **The Shattered Duet is for mature audiences only—strong language, and explicit sexual content are apparent.**
