

Extremely Famous (Famous Series Book 3)

Sydney Tannen has been living in denial for the last twelve years. Now that she's making a life with Drew Forrester, hiding from her past is no longer an option. An emotional reunion with her very famous father brings Sydney a peaceful feeling that she hasn't experienced in a long time. Her contentment vanishes quickly with a single phone call. When Sydney finds out that Drew is keeping something huge from her, she throws herself into work to avoid facing the problem. The stress of Drew's secret, combined with twelve years of carefully constructed denial, comes crashing down spectacularly and Sydney ends up in a hopeless place, alone and afraid. Can she accept her past and face the future? Or is it easier to remain in the dark?
