

Blood Sacrifice (The Healers of Meligna Book 3)

A book you cant put down. -- Reviewer

With the threat of the Queens army increasing, only blood healing can save South Senya. Adenine continues her journey alone, encountering constant danger and tragic loss. Clutching at the strands of her sanity, Adenine barely makes it to Juxon City where the king proves untrustworthy and hostile. The Queens quickly destroy all Adenines hope for the kingdom of Senya. Under their rule, the people are doomed. She has allies, but they are too few to take back the city. The only one who can challenge the Queens is the emperor of Bivinia: a monster responsible for the deaths of hundreds of healers. She must convince him to invade Senya, replacing one evil for another.
