

## Taken by the Pack (Blue Moon Brides) (Volume 4)

Meet the Breaux brothers. These bayou bad boys walk on the wild side in more ways than one. They're Pack and werewolves, centuries-old shape shifters, and their survival depends on finding a mate when the blue moon rises. When Jackson first encounters the sexy but reserved veterinarian Eden, he doesn't realize she's his mate. But when the blue moon rises and an injured Jackson lands on her doorstep, he'll tempt her to lose control with him and explore the dark side of passion.
