

On Emerson and Other Essays (Classic Reprint)

Excerpt from On Emerson and Other Essays The three essays contained in this volume have for the first time been brought together for English readers. The one on Emerson has served its purpose as a preface to seven essays of Emerson, translated by Mlle. Mali, who took the pseudonym of I. Will. The other two were originally intended and were used as introductions to extensive selections made and translated by M. Maeterlinck from the works of Ruysbroeck and Novalis. In amended form, the three essays may be found in the French edition of The Treasure of the Humble. At his simplest, it is not an easy matter to translate Maeterlinck. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
