

Psychic Kate Edwards had her first premonition--a vision of her own murder by a faceless attacker. With very few clues to go on, she has to use her psychic gifts to uncover who wants her dead. Paranoia sets in and Kate wonders if there's anybody she can trust. As Kate fears her impending death, she's desperate to seek comfort with her ex-boyfriend Jared Corbett. As she tries to win him over once again, she worries that he'll never forgive her for the mistakes she has made in the past. Kate questions whether fate will give her a chance to be with Jared again before her existence is ended. Meanwhile, a sixteen-year-old girl has gone missing. The police and her family insist the girl is a troubled runaway, but Kate suspects there's more to the story. Kate is frantic to locate the girl before her own time runs out. *Dark Premonitions* is the third book in the *Second Sight* series.
