

# Bright Side

Secrets. Everyone has one. Some are bigger than others. And when secrets are revealed, Some will heal you ... And some will end you. Kate Sedgwicks life has been anything but typical. Shes endured hardship and tragedy, but throughout it all she remains happy and optimistic (theres a reason her best friend Gus calls her Bright Side). Kate is strong-willed, funny, smart, and musically gifted. Shes also never believed in love. So when Kate leaves San Diego to attend college in the small town of Grant, Minnesota, the last thing she expects is to fall in love with Keller Banks. They both feel it. But they each have a reason to fight it. They each have a secret. And when secrets are revealed, Some will heal you And some will end you.

These people are the first ones to catch or even invent the newest trends. We decided to write about them. Bright Side loves style and fashion but not as much as - 6 min - Uploaded by BRIGHT SIDE Blackheads are a super annoying skin problem. They appear black due to oxidation, a process - 8 min - Uploaded by BRIGHT SIDE Weve collected new super hard mystery riddles that only the brightest Sherlocks can solve. Do VAN & SIDECAR TOURS. Fall in love with Barcelona cruising on a classic sidecar motorcycle or a modern van. Ride with the wind and your own private guide It was proven by scientists a long time ago that riddles not only improve your memory but they also increase your thinking skills. And its not only children who Always look on the bright side of life and stay positive! 20 hours ago - 15 min - Uploaded by BRIGHT SIDE How to Make Yourself Smarter.
