Why a Book Specifically About Moms Making Money

Online? 99% of the books written about making money online are very broad and don't seem to touch on a person's unique circumstances. We have lived and are currently living the dream of owning our own online business. We understood that to empower Moms to connect to the global economy and take as little or as much as they wanted to achieve their dreams and take control of their family's future, was not only a right, but also an obligation. More Than a Book Mommies Making Money Online is not just a book, but part of a much larger ecosystem that includes a website and free action plan. At the end of each chapter, you have a list of action steps that you are advised to complete before moving onto the next. Links in the book deliver you the digital action plan direct to your inbox. Take Control of your Family's Future You may be a complete beginner, you may already have an online business but are struggling to make it work, you may be stuck in a job you hate and wish for a better future, you may be at the end of your parental leave and dreading putting your child into day care and returning to a job you hate. Take Action Now Whatever your reason may be, this book can help you to unlock the secrets of the global connected economy and take control of your family's future today.
