

Blood Rights (House of Comarre)

Gothic fantasy meets vampire fiction in this debut novel from Kristen Painter - full of politics, intrigue, and blood. Born into a life of secrets and service, Chrysabelles body bears the telltale marks of a comarre -- a special race of humans bred to feed vampire nobility. When her patron is murdered, she becomes the prime suspect, which sends her running into the mortal world...and into the arms of Malkolm, an outcast vampire cursed to kill every being from whom he drinks. Now, Chrysabelle and Malkolm must work together to stop a plot to merge the mortal and supernatural worlds. If they fail, a chaos unlike anything anyone has ever seen will threaten to reign.
