

Burning For Her Kiss: Serpents Kiss, Book 1 (Volume 1)

Beth Davenport has no interest in getting involved with another man for the foreseeable future. To say her last relationship ended in disaster would be a colossal understatement. The only reason she agrees to put in an appearance at Serpents Kiss, a private kink club in downtown St. Louis, is because her best friend, Nicole, wont quit nagging her. When she walks in the door that night, the last thing she expects to do is meet a man who will have her reconsidering her ban on men. As a captain with the St. Louis Fire Department, Drew Parker is used to being in charge. His crew relies on him to make sure they know what theyre doing and return home to their families after every shift. It isnt, however, what he wants in a relationship. Drew decides to join Serpents Kiss to see if what appeals to him in fantasy is something he wants to explore in the real world. Hes also hoping that hell be lucky enough to meet a woman with whom he can explore his desires. The night Beth walks into the club, he is intrigued. Drew has to get to know her better. After what happened to her, Beth is reluctant to get involved with Drew. It doesnt matter that he is sweet and charming. Shes been burned before and Beth doesnt think she can survive having her heart crushed again. Drew, however, wont take no for an answer. He wants a relationship and is determined to chip away at her defenses until she relents. Will she give him a chance, or did her ex leave her with scars too deep to heal?
