

## Capture Me Slowly (The Shattered Series) (Volume 3)

National and International bestselling author of The Shattered Series. Emma Wade has worked hard to create a stable life surrounded by people she loves. But when her dark past catches up with her, Emma fears she might not live long enough to testify against the man who hurt her all those years ago. Her only choice is to run. And if there is one thing Emma learned as a homeless teen, it was knowing when to sleep alone and knowing when to partner up. Rhys Striker, the sexy ex-marine she shared a hot night with, is the only one she trusts with her secrets. But she learns quickly she's not the only one running from something. And as both of their pasts threaten to take them under, she'll have to choose between protecting her life and protecting her heart. This book contains adult content and sexual scenes. Meant for readers 17+. (Adult Contemporary Womens - New Adult Fiction)
