

Navy Seals Innocent Italian (The Denver Men Series Book 4)

Trent Coldwell is out for revenge. After Marco Bresnis attempt to steal his baby, Trent will do anything to stop him from hurting his family ever again. Trent hires Jake Travers, a 10-year Navy Seal veteran and black ops specialist. Tracking Marco is easy for Jake, but when he notices the beautiful woman Marco is escorting around things get a lot harder, in more ways than one! At first he sees her as a way to get into Marcos inner circle, but as he gets closer to her his attraction only grows. Now Jake needs her like he needs his next breath. After a disastrous arranged marriage, Alexandra Moretti is looking to escape Italy. As part of a business arrangement, Marco reluctantly agrees to take Alexandra to America. And when she meets the ruggedly handsome Jake the day of arriving she cant believe her luck. His dark blue eyes and commanding presence never fail to attract female attention, and Alexandra is no exception. She feels vulnerable around him, like she is worth protecting. But with their relationship growing hotter by the second, loyalties are tested as Trent learns the truth behind Jakes feeling for Alexandra, and Marcos betrayal.

WARNING: Fiery sex scenes, lovable characters and intense dialogue. HEA.
