

Quick & Furry: Love, Laughs, and a Bit of Rawr on the Go. Werelioness Hilary Stewart is making her escape and nothing is gonna stop her. Except maybe a locked door. No matter, she's resourceful, she'll figure out something. When nothing comes to mind, she's thrilled to find herself rescued. After being a Colletti captive for nearly her whole life, it's amazing to find herself breathing air that isn't tainted with violence and anger. Instead, it's filled with the scrumptious scent of her heavily muscled, gorgeous, and possessive as hell werelion mate. Oscar freed her and now he's gonna belong to her... As long as the Collettis don't kill her first.
