

When Love Intrudes (When the Mission Ends Book 4)

Toni Vincents last relationship ended with violence. Since then, shes decided shes better off without men. But when she finds her young seventeen year old neighbor, Nathan, unconscious and beaten, this is one man she cant abandon. But helping Nathan means trusting Detective Brian Barnes, another man who hurt her in the past. Its something shes just not sure she can do. Detective Brian Barnes has seen one too many criminals beat the system. Hes burned out and regretting a lot about his life. At the top of that list is how he dealt with Toni Vincent when he was wounded. At the time, he couldnt stand to look at himself, much less have someone he failed care for him. Now she needs his help and he refuses to fail her again. But keeping her alive requires keeping his heart out of it. Something not easy to do when trapped in a romantic mountain retreat, even if it is the safest place for Toni and her unexpected charge. With danger around every corner, its hard to know who can be trusted, especially for three people who have been burned before. But they may just find the best family is the one not tied together by blood.
