

Serenyas Song (Tallenmere Book 2)

No one ever said love was easy...Serenya Crowe may be a half-elf commoner, but she's no ordinary woman. With the ability to interpret dreams, and a birth defect that forces her to wear gloves, she's endured gossip and the cruelty of her husband, Sebastian, The Earl of Summerwind. All she's ever wanted is to live a quiet life and raise a family. When she meets the new stranger in town, her world and her heart, are turned upside down. Wood-elf Jayden Ravenwing is an ex-secret agent who wants nothing more than to forget matters of the heart. He left the bustle of Leogard and his failed marriage to make a fresh start in Summerwind. He never planned to fall in love again, especially with the enchanting Serenya Crowe. When a strange portal opens on the Crowe property, Jayden is thrown into an investigation, knowing that if he fails, Serenya and everyone in the town may die. Together, he and Serenya must overcome an ancient evil, and their own inner demons, to save Summerwind and find the love they've always dreamed of.
