

Coastliners

On the tiny Breton island of Le Devin, life has remained almost unchanged for over a hundred years. For generations, two rival communities have fought for control of the islands only beach. When Mado returns home to her village after a ten-year absence, she finds it threatened, both by the tides and by a local entrepreneur. Worse, the community is suffering from an incurable loss of hope. Taking up the fight to transform the dying village, Mado must confront past tragedies, including the terrible secret that still haunts her father.

The story behind Coastliners hasn't ended yet, and may never do so. For many years, my grandfather had a beach house on an Stuart Jeffries abhors the hackneyed depiction of France in Joanne Harris's Coastliners, a shallow novel full of crass caricature. Le Devin, an island so small that it is only a bicycle ride from one end to the other, consists of two feuding villages. Such, at least, is the I hate when I don't care for a book that I was expecting to love. This book may force me to break up with Joanne Harris. Joanne Harris is an Anglo-French author, whose books include fourteen novels, two cookbooks and many short stories.
