# Collision

Do you like romance with a little bit of mystery sprinkled in? Collision will have you on the edge of your seat while tugging at your heartstrings! Some secrets are better left untold When eighteen-year-old Kara Jones gets into a car accident on the way home from college, shes left with more than a few bruised ribs, a busted cell phone, and a totaled car. After a slip-up at the hospital, shes shaken to discover that her family isnt all it seems. And now her mothers strange behavior and willingness to do anything to protect her secretsincluding pulling Kara out of schoolhave Kara floundering in the dark. Enter Derek Miller, a former classmate whos dealing with family issues of his own. His nerdy charm is too much for Kara to resist, and shes even more amazed when he agrees to help her dig into her mothers past. Together they investigate her mothers old friends and boyfriends, hoping to discover who Kara really is. Instead, they find disturbing connections to the dark history of Kent State University, and an ever expanding maze of mystery surrounding Karas birth. As Kara and Derek chase secrets, she realizes hes the only person she can trust. But as they get closer to the truth, the disturbing answers reveal a web of evil far darker and further reaching than theyd imagined, leaving Kara to wish shed never asked the questions in the first place. 4 Stars from Six Chicks Books: I devoured this book in one sitting. The story was compelling and suspenseful and I was hooked at the first chapter. Collision is unique story with a well-developed plot that will leave you turning the pages at lightning speed. I adored the characters. 4.5 Stars from Lustful Literature: I absolutely adored this book. The storyline was well written and I instantly fell in love with Derek. Kate did a great job pulling in and intertwining the lives of Kara and Derek. Once the plot line started playing out, I had really time

putting this book down. 4 Stars from Best Book Boyfriends: This a really good suspenseful story, and I love Derek and Kara together. Theyre just such a solid couple for two people who are really young. When Derek tells her he can see them together forever I swooned. Their chemistry is not only sexy, but they are also playful. It brings some levity to a suspenseful story. Curl up with a copy today!

Collision is used in two slightly different senses in theoretical computer science and telecommunications. In computer science it refers to a situation where aA collision is the situation that occurs when two or more demands are made simultaneously on equipment that can handle only one at any given instant.Collision is a unique instrument for authentic mallet sounds and creative percussion.
