

Until There Was You (A Coming Home Novel Book 2)

From the author of *Because of You* comes an all-new contemporary eBook romance. He plays by the rules, she's not afraid to break them. Now these two strong-willed Army captains will prove that opposites attract ... A by-the-book captain with a West Point background, Captain Evan Loehr refuses to mix business with pleasure--except for an unguarded instance years ago when he succumbed to the deep sensuality of redheaded beauty Claire Montoya. From that moment on, though, Evan has been at odds with her, through two deployments to Iraq and back again. But when he is asked to train a team prepping for combat alongside Claire, battle-worn Evan is in for the fight of his life. Strong, gutsy, and loyal, Captain Claire Montoya has worked hard to earn the rank on her chest. In Evan, Claire sees a rigid officer who puts the rules before everything else--including his people. When the mission forces them together, Claire soon discovers that there is more to Evan than meets the eye. He's more than the rank on his chest; he's a man with dark secrets and deep longings. For all their differences, Evan and Claire share two crucial passions: their country and each other.
