Is it possible to be a confident twenty-first century woman and submit to your lover? From Justine Elyot, the bestselling author of *On Demand* and *Kinky*, *Confessions of a Kinky Wife* is the perfect read for anyone who loves Sylvia Days *Crossfire* trilogy or *The Secret Diary of a Submissive*. It's difficult, as a modern woman, to admit that you want your lover to punish you. Not just a fun spanking in the bedroom—real punishment. Philippa knows what she wants. She wants her police officer husband to take her in hand. But how do you ask your lover to hurt you? And, if they're willing, how do you make sure that being taken in hand doesn't get out of hand? Philippa and Dan explore the secret world of Domestic Discipline. Perhaps it will suit them, perhaps it won't. But they mean to find out, one way or the other.
