

Remote Viewing Secrets

Remote viewing is not simply using psychic ability to obtain information. It is using scientific protocol to develop and extend that ability, so that ordinary people can learn to do what psychics do. This book teaches you how to teach yourself. Joseph McMoneagle learned remote viewing in the U.S. Army--he was Remote Viewer #001 in the Army's Stargate program--and was awarded the Legion of Merit for his contribution to various intelligence operations. In *Remote Viewing Secrets*, the author of *Mind Trek* and *The Ultimate Time Machine* uses examples, exercises, and anecdotes to share what he learned and how he learned it, and gives you everything you need to begin developing your own abilities. *Remote Viewing Secrets* is easily the most complete, authentic, and informative guide to remote viewing published to date.
