

## Crosstown Crush: Book 1 in Series (Sins in the City)

The author of *Hard Time* and *Give It All* is back with a new series centred on a daring married couple set to explore their fantasies and those of the stranger they've invited to play. When he's working, Mike Heyer is all business - every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk - they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy... not their hearts.
