

Possession (The Steel Brothers Saga)

Jade Roberts's love for Talon Steel is the real deal, and she's more determined than ever to help him come to grips with whatever is haunting him. To that end, she continues her investigation of the Steels and unknowingly attracts some dangerous foes from their shrouded history. Talon loves Jade deeply and longs to possess her forever, so he faces his worst fears and exposes his rawest wounds in an attempt to heal. The road is icy and treacherous, but if he perseveres and comes out whole on the other side, he'll finally be worthy of Jade's love. The untamed passion between the two still blazes, but as the horrors of Talon's past resurface, Jade and Talon aren't safe.
