

## Dare to Win

How are you doing? Just okay? Not so great? Getting by? Mark Victor Hansen and Jack Canfield believe that this just isn't good enough. They believe that everyone deserves the very best in life -- and that everyone is capable of achieving it. We need only to dare. Dare to try. Dare to succeed. Dare to Win. With their trademark humor, anecdotes and enthusiasm, Hansen and Canfield take a hard look at the one factor that keeps most of us from realizing the things we long for: fear. Fear is what holds us back, limits us, and leads to self-defeating behavior. But fear can be confronted and overcome, and Dare to Win is the program that simply, effectively, shows you how to do it. Dare to Win will convince you that life's opportunities really are unlimited and that they are available to anyone who is willing to accept both the challenge and the reward.
