

Dark Soul Collection

Love lights even the darkest soul. A killers moral compass rarely points true, and among made men, being gay is a capital crime. But Silvio Spadaro, deadly prodigy and heir to a Family fortune, is determined to find his own way at the feet of the man he loves or by the barrel of a gun no matter the dangers or costs. Stefano Marino lives a comfortable life. As a mob boss at the top of the food chain, he has it all: money, respect, a beautiful wife he loves as much now as the day they wed. But he also has a turf war on his hands, and far too soft a heart for this dark business. When Silvio is sent to help Stefano with his turf war, sparks fly. Stefano loves his wife, but he wants Silvio. It's a desire he hardly knows how to process, but Silvio, ever the patient predator, maneuvers Stefano closer and closer to his bed each day. Stefano resists; giving in to these dark desires means giving up on his marriage, and exposure would surely mean death. Yet there's no denying Silvio's magnetic pull, or the long-repressed urges inside himself. Yielding is inevitable, but he may yet find a way to hold on to everything and everyone he loves.
