

Winterblaze: Darkest London, Book 3

Once blissfully in love... Poppy Lane is keeping secrets. Her powerful gift has earned her membership in the Society for the Suppression of Supernaturals, but she must keep both her ability and her alliance with the Society from her husband, Winston. Yet when Winston is brutally attacked by a werewolf, Poppys secrets are revealed, leaving Winstons trust in her as broken as his body. Now Poppy will do anything to win back his affections... Their relationship is now put to the ultimate test. Winston Lane soon regains his physical strength but his face and heart still bear the scars of the vicious attack. Drawn into the darkest depths of London, Winston must fight an evil demon that wants to take away the last hope of reconciliation with his wife. As a former police inspector, Winston has intelligence and logic on his side. But it will take the strength of Poppys love for him to defeat the forces that threaten to tear them apart.
