I want to thank the author for turning a non fantasy reader into a fan. The book had mild violence, romance and some suspense. It was exciting from beginning to end. I cant wait

to read the others. Linda Tonis, Paranormal Romance Guild Reviewer I just finished this book in one day and I enjoyed it immensely. It wasn't complicated to follow as some sci-fi books tend to be, and I was fully immersed in this new world. The characters are compelling as well as their trials. I'm starting book 2 now...
