

From Liliana Hart's New York Times bestselling MacKenzie family comes a new story by USA Today best-selling author Kimberly Kincaid... Bartender Kylie Walker went into the basement of The Corner Tavern for a box of cocktail napkins, but what she got was an eyeful of murder. Now she's on the run from a killer with connections, and one wrong step could be her last. Desperate to stay safe, Kylie calls the only person she trusts—her ex-Army Ranger brother. The only problem? He's two thousand miles away, and trouble is right outside her door. Security specialist Devon Randolph might be rough and gruff, but he'll never turn down a friend in need, especially when that friend is the fellow Ranger who once saved his life. Devon may have secrets, but he's nearby, and he's got the skills to keep his buddy's sister safe...even if one look at brash, beautiful, Kylie makes him want to break all the rules. Forced on the run, Kylie and Devon dodge bullets and bad guys, but they cannot fight the attraction burning between them. Yet the closer they grow, the higher the stakes become. Will they be able to outrun a brutal killer? Or will Devon's secrets tear them apart first?
