

Just how far will one woman go to fulfil her fantasies? I prefer to chase the news, not be the news. But when the delectable Liuz, with his uncannily accurate perception of my secret desires weaved its way into my life, it wasn't long before I was in way too deep, submerged and intoxicated with a passion I was afraid was more than I could handle. Or was it? Because although my heart was overwhelmed with feelings I had no resistance against, and while my deceitful body was consumed by a burning passion, I still had a plan. A plan I prayed would keep me afloat as I was pushed to the very edge of my limits, while the journey got tougher than even my wildest flights of fantasy could have imagined. I claimed him and I felt that he was rightfully mine. My heart simply couldn't beat without a permanent connection between our hearts, minds and bodies. Losing was not an option, not when my sanity depended on winning him. Because I would, quite literally, do anything for him.
