

Sunset Point (Shelter Bay) (Volume 10)

New York Times bestselling author JoAnn Ross returns to Shelter Bay with a story of destiny, desire, danger, and a sea captain's ancient curse that becomes local legend. Someone to Watch Over Me Independent, strong-willed Tess Lombardi has dedicated her life to fighting for justice. As a deputy district attorney, threats are merely part of the job. This time, with several high profile cases on the line, she reluctantly agrees to protection. Only to discover that Nate Breslin comes with his own risks. How can she trust a bodyguard who's stalked her? And lies for a living? Former Marine sniper Nate Breslin has managed, at least most days, to leave danger and death in his past. Nate has his own reasons for tracking Tess down, but when her life is threatened, this mission becomes personal and he's willing to risk anything to keep her safe. As the danger escalates and her would-be killer closes in, Tess must learn to trust Nate. With her life. And her heart.
