

Mistress Tashas Rainbow Girls 3 (Forced Feminization) (Mistress Tashas Rainbow Girls)

Carla starts her first night working the gloryhole in Mistress Carlas club. Later that night she finds out that one of her sisters will be leaving soon leading to a final fling. The next day she learns what it means to work in the club leading to a long, sexy big play date with her sisters (yum). This 6,500 word erotic tale of forced feminization is for adults only and includes oral and anal gloryhole sex with pre-op and post-op transsexual tryst and a mini-orgy in Mistress Tashas club. Carla continued working with Maxine and was doing well for her first time. Everyone complemented her and Alexandra gave her some out of character whistles while Maggie clapped. Maxine then told her that she wanted to show her some additional moves. She leaned back against the pole and began working her hips as she slid up and down rotating her shoulders and breasts while she did so. The moves and attention started to get Carla excited and she stiffened up having to adjust her clit from being tucked to a more manly state. Alexandra noticed and pointed it out to Maggie who blushed. Someone might be getting some play time soon, she whispered to Alexandra. Yes, this place is about to heat up.
