

Amara, Interrupted (An Eden Daire Short)

Amara Walters has a history full of secrets. One month ago, the biggest secret of her life was revealed in a very gory and spectacular way. Amara is the last remaining one of her kind on earth: a maenad. In the hidden world of creatures that belong to one of three kingdoms: Earth, Sky, or Water, maenads had been hunted and exterminated out of fear for the madness and violence that erupted any time they had a drink of alcohol. Every since she found out the hard way at the age of 14, Amara has dedicated her life to controlling the cravings and protecting her best friend, Eden Daire, at all costs. This short story gives you a brief, and humorous, peek into a day in her life. *****KEEP ON READING FOR A SNEAK PEEK AT THE NEXT EDEN DAIRE NOVEL, GETTING EDEN, COMING SOON!*****
