

Fate Interrupted: Fate Interrupted Series, Book 1

Dean Jacobs is one of Milwaukee's hottest eligible bachelors and in no mood to settle down, until Evy comes along. Evy, however, is focused on opening a new dessert lounge with her sister and has no time for romance. Dean won't take no for an answer, though. She finally gives in to the want in her gut and - much to her surprise - discovers he isn't the player she thought he was. Just when things turn into a fairy tale sent from above, Dean's past comes back to haunt him. The only question is: will it make them stronger, or rip them apart?
