

There Goes the Neighborhood: A Drawn Series Prequel

In Riveted you were introduced to spunky Bleu Drawn, her brother Axel and her father Aaron; as well as everyone else in their crazy family. But how did it all start?

1984. A bad boy biker named Aaron Drawn, who makes ridiculously reckless choices, meets up with the nicest, sweetest girl next door Angel Lenero, when she is his nurse after he gets shot. He thinks she wants the picket fence, 2.5 kids and Sunday dinners. What she really wants is a bad boy with a heart of gold who can make her heart race and her toes curl. Can he get past his demons and trust her with his heart? Can she get over his past, including a very mentally unhinged ex girlfriend who has a fetish for sharp knives?
