Jericho isn't the famous rock star he once was, though he still plays in a local band and loves to party. Beautiful women come and go, but music is his only passion-until a sassy redhead named Isabelle Monroe shows up unexpectedly. Izzy has always loved the freedom and adventure of life on the road, but she has recently decided to settle down-as much as a rogue wolf can. When her boyfriend gets her a job working at a hot Shifter bar, she runs into the last person on earth she expected to see again.
