Because it is so integral to the events of *Forbidden*, *Dark Mercy* has been included here first. You can use the TOC to choose which order to read them or to skip ahead to *Forbidden* if you've already read *Dark Mercy*. The events of *Dark Mercy* occur in 1955 Las Vegas. The events of *Forbidden* occur in the present time, not long after the events of *Life Cycle* (*Preternaturals*, Book 4). *Forbidden* can be read out of order from the rest of the series, but as always, the various interconnections between the background characters make more sense read in order. **Dark Mercy Description:** Forgive me Father, for I'm about to sin. Angeline has been on the run from her vampire sire for centuries. She's tired and lonely. High on mescaline-infused blood, she receives a sign: a glowing church in the distance. And she knows. Her future mate is in that building. The only trouble? Hadrian is a devout priest. It will take strong persuasion for him to see the world her way. **The Complete Preternaturals Series:** Book 1: *Blood Lust* Book 2: *Save My Soul* Book 3: *The Catalyst* Book 4: *Life Cycle* Book 5: *Forbidden* Book 6: *Unleash The Moon*
