

Just One Night

They spent one passionate night together, a night neither could forget ...But it isn't until Bomb Unit Detective Alexandra Alex Sheridan is assigned to investigate architect Luke Morgan about the bombing of his new building that Alex is forced to face the man and feelings she had run from earlier. Drawn to the charismatic man who had soothed her grief with their shared passion, she finds herself wanting more from him. As the case progresses, however, she questions his innocence and his feelings for her. Can she trust him, ignoring his past and the evidence pointing to his guilt? Or will she have to be satisfied with just one night? Eve Gaddy is the award-winning author of sixteen novels, with more than a million copies in print.
