If you enjoy the LOVE IN BLOOM series by New York Times & USA Today Bestselling Author Melissa Foster, you'll love HARBORSIDE NIGHTS.

HARBORSIDE NIGHTS is a sexy, hot, and evocatively real New Adult Romance series that follows a group of friends who have known one another for years as summer friends, and now come together after college to build their lives. They're tough, edgy, and accepting most of the time. *Catching Cassidy* is written in the loving, raw, and emotional voice readers have come to love by Melissa Foster. IN CATCHING CASSIDY... Wyatt

Armstrong never imagined that instead of celebrating his college graduation, he and his twin sister would be dealing with the death of their parents. Then again, Wyatt had never been one to think past tomorrow. He heads to their summer home in Harborside, Massachusetts, with his best friend Cassidy Lowell in tow, to deal with his parents' death and to try to figure out his next step. Six foot two, infuriatingly handsome, and flirtatious, Wyatt Armstrong has always been there for Cassidy, helping her pass her classes and fend off unwanted advances, while driving her insane with his one-night stands but that's what best friends are for, isn't it? Having each other's backs. There was never any doubt that she would accompany him to his family's summer home but she never expected to begin seeing Wyatt as more than a friend. Or has she been ignoring her feelings all along? It's impossible to ignore the sizzling heat between them as Wyatt and Cassidy get even closer, but Cassidy knows Wyatt's past, and she has a real job to begin in the fall. Wyatt may be a sure thing for the summer, but Cassidy needs more. For the first time in his life, Wyatt is forced to look toward the future if he doesn't want to lose the one woman who's shared his past and owns his heart.
