

Hunt Her Down (The Bullet Catchers Book 7)

Fourteen years ago, undercover FBI agent Dan Gallagher watched his lover, Maggie Varcek, flee into the Miami night as gunfire exploded around them. Now a Bullet Catcher, Dan has learned that drug lord Ramon Jimenez is out of prison after the FBI bust Maggie unwittingly aided, and is looking for revenge. Determined to protect the woman who still haunts his memory, Dan tracks Maggie down, undercover once again -- until his identity is stunningly blown. Furious at his past betrayal, Maggie refuses Dan's help, yet the passion between them still burns irresistibly hot. Then Ramon strikes terrifyingly close. The Jimenez family will do anything to gain the key they believe Maggie holds to their hidden fortune, and the reunited lovers are forced into a race against time, trying to unlock the secret before everything they hold most dear is destroyed...forever.
